

Welcome to our October newsletter.

Spring has come around again and Xmas is looming up fast, I don't know where this year has gone. Isn't it nice to see all the spring flowers and to feel that the winter is behind us even though there is still a lot of snow on the mountains around us.

It is that time again to think about Xmas cards and 2010 calendars. We can do these for you. If you have a favourite photo we can put these on to your cards or calendars for you.
